Motor Carrier Insurance Requirements

If you want to operate as a common carrier, household goods mover, solid waste company, or passenger carrier in the state of Washington you must have a permit or certificate from the Utilities and Transportation Commission (commission) and valid insurance. To apply for a permit or certificate, you must provide proof of liability and property damage insurance. You must also maintain proof of insurance to keep your permit or certificate.

Form E or Form G - Liability and Property Damage Insurance

Your insurance company must file Form E, Uniform Motor Carrier Bodily Injury and Property Damage Liability and Certificate of Insurance. Form E is the standard proof of insurance form issued by insurance companies. You may also file a Form G, Surety Bond, as proof of insurance.

Certificate of Insurance of Binder

We will accept an insurance certificate or binder from your insurance company for a period of **up to 60 days**, but it must be replaced by a Form E **before the 60 days expires**. Insurance certificates or binders must show the UTC as the certificate holder.

Cancellations

Insurance companies must notify the UTC thirty (30) days before your insurance policy expires. If your policy expires, the UTC will suspend your permit or certificate for 30 days. If you do not submit proof of insurance within the 30 days, your permit or certificate will be cancelled. UTC staff will send a letter to notify you if we intend to suspend or cancel your permit or certificate. Prior to canceling your permit or certificate, we will offer you an opportunity for a hearing to explain why we should not cancel your permit or certificate.

Motor Carrier Insurance

Specific requirements for all insurance forms

The UTC will reject insurance forms that do not meet these requirements, which means you will not have valid proof of insurance on file.

- The name on the insurance form **MUST MATCH EXACTLY** the individual, partners, or corporate name on your application for a permit or certificate. It may include a d/b/a or trade name.
- Insurance forms must be received from an insurance company authorized to write insurance in the state of Washington. You may check with the Office of the Insurance Commissioner to determine if your insurance company is authorized in Washington.
- All insurance forms must include:
 - The policy number.
 - The name of the insurance company.
 - The signature of the insurance company's authorized representative.
 - An issue date and effective date.

Cargo Insurance

If you are a household goods carrier, you must maintain proof of cargo insurance at your place of business. For vehicles with a gross vehicle weight of less than 10,000 pounds, you must have \$10,000 minimum levels of cargo insurance. For vehicles 10,000 pounds or more, you must have \$20,000 minimum levels.
